**LAKE ORION, MICHIGAN— August 10, 2018** — US Taxpayer Nominee for Governor, Todd Schleiger, has named Republican Candidate for Governor Earl Lackie as Lieutenant. Todd Schleiger says, “Our combination of ideals and our common background makes the team focused and goal driven.” Earl, added, “I always viewed myself as a man with great core values and a serious belief that our government has stopped working for the people. With Todd’s policies and core values our teaming is a natural combination.”

Todd and Earl are both from the transportation industry and their experience on Michigan roads makes them supremely aware what our current leaders have neglected to address. Lackie said, “Between Todd and I we have almost 60 years of transportation experience and you are telling me that career politicians have any idea of what they are talking about, when it comes to roads?”

### **Unveiling his stances and well thought solutions for his campaign:**

Lackie also said, “From Education, to taxes, to insurance to the “Damn Roads” Todd Schleiger has several well-structured plans. Neither of us are career politicians and that is to our benefit.”

### **SAY NO TO THE STATUS QUO**

The Schleiger/Lackie ticket, is not a member of the political past, this team shows the US Taxpayer Party sees a future where every day, “Status Quo” government is a thing of the past. Todd is also endorsed by other Independent Parties: Michigan Natural Law Party, The Modern Whig Party and civic groups such as The Education Watchdogs, Protect Out Stolen Treasures, Featured on the Michigan Norml Website and Hippies for the Homeless.
