LAKE ORION, MICHIGAN— August 11, 2018 — US Taxpayer Nominee for Governor, Todd Schleiger, becomes a historic part of Michigan’s rich history as the very first true Independent Candidate on the ballot for the states highest elected office. Schleiger modestly noted, “I am not running to make a historical statement, I am running to take Michigan into a new era and breathe new life into a broken system!” The Schleiger Campaign started in 2015 and he was the first to officially announce his candidacy. He has visited every corner of the state while on his **COMMON SENSE TOUR**. Todd admits, there are skeptics as to the ability of an Independent to win the seat, “In three years I never said, ‘if I win’, it’s always been WHEN I WIN!” I have been fortunate to have a staff that believes in me and have been supporting me since we organized. Schleiger praised, “with how things have grown, and without a real source of income, my team has volunteered their precious time and have supported me every step of the way. Their energy keeps me energized!”

Unveiling his stances and well thought solutions for his campaign:

The Status Quo has done so much damage to our government with constant division. Todd’s position was reflected when he said, “Both Parties are broken! They are supremely intent on dividing me and my friends to serve their selfish agendas. I am the **ONLY CANDIDATE** that wants to unite all of Michigan for the better.”

SAY NO TO THE STATUS QUO

The Schleiger/Lackie ticket, is not a member of the political past, aside from being a historic movement, this team shows the US Taxpayer Party sees a future where every day, “Status Quo” government is a thing of the past. Todd is endorsed by these Independent Parties: Michigan Natural Law Party, The Modern Whig Party and civic groups such as The Education Watchdogs, Protect Out Stolen Treasures, Featured on the Michigan Norml Website and Hippies for the Homeless.
